Re: Docket No.370-Reply of the Town of Suffield to Objection of CAOPLC

Dear Chairman Caruso:

As you know, the undersigned forwarded a letter to the Council dated October 6, 2009 with a proposal to schedule the testimony and examination of the First Selectmen of Suffield and East Granby for November 5, 2009. Surprisingly, the Citizens Against Overhead Power Line Construction, through their counsel, without any prior communication with the undersigned, objected to Suffield's proposal, relying as justification for this objection on the fact that municipal elections are scheduled for November 3, 2009. Apparently, CAOPLC does not view the current Board of Selectmen as sufficiently sympathetic to CAOPLC's position in this docket and is hoping that the elections might bring about a change in the Board's position. That position will be set out by the Suffield First Selectmen in his testimony. The First Selectman of Suffield wishes to testify as proposed in my earlier letter and asks that the Council overrule the objection of CAOPLC and schedule the testimony of the First Selectmen of Suffield and East Granby for November 5, 2009.

Very truly yours,

A handwritten signature in cursive script that reads "Edward G. McAnaney".
