RE: **DOCKET 370A-MR-** The Connecticut Light & Power Company Certificate of Environmental Compatibility and Public Need for the Manchester Substation to Meekville Junction Circuit Separation Project in Manchester, Connecticut. Partial Transfer of Certificate.

Dear Ms. Roberts:

At a public meeting of the Connecticut Siting Council (Council) held on July 26, 2012, the Council approved the partial transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from The Connecticut Light & Power Company (CL&P) to The United Illuminating Company (UI) for the Manchester Substation to Meekville Junction Circuit Separation Project Variation in Manchester, Connecticut.

This is to notify the Council that the transaction for which the Council approved the partial transfer of the Certificate occurred on September 26, 2012. The transaction occurred in accordance with the description set forth in the application for partial transfer of the Certificate jointly submitted by CL&P and UI on July 12, 2012.

Please call me if you have any questions.

Very truly yours,

Marianne Barbino Dubuque
