Re: DOCKET NO. 370 – The Connecticut Light and Power Company application for a Certificate of Environmental Compatibility and Public Need for (1) The Greater Springfield Reliability Project consisting of a new 345-kV electric transmission line and associated facilities from the North Bloomfield Substation in Bloomfield to the Connecticut/Massachusetts border, together with associated improvements to the North Bloomfield Substation, and potentially including portions of a new 345-kV electric transmission line between Ludlow and Agawam, Massachusetts that would be located in the Towns of Suffield and Enfield, Connecticut; and (2) the Manchester Substation to Meekville Junction Circuit Separation Project in Manchester, Connecticut.

Dear Mr. Phelps:

In accordance with the Chairman's direction at the conclusion of the August 13, 2009 hearing in the above matter, I enclose herewith, as a bulk filing, four copies of CL&P Exhibit 38, entitled: Connecticut Siting Council Docket 370/CL&P Exhibit 38/Schedule and Compilation of Project Outreach Communications. The exhibit consists of: (a) a table summarizing project outreach communications (both written and oral); (b) copies of written communications; (c) examples of two documents that were enclosed in several of the responses. I also enclose an electronic copy of the full exhibit on a CD. Contemporaneously with this filing, I am serving the service list with a copy of the table of communications (Item (a) above) only. If any party or intervenor wishes to obtain a copy of any of the communications listed, they may do so by a request to pbandzes@burnsmcd.com.

Very truly yours,

Marianne Barbino Dubuque

**Docket 370
Response to Inquiries/Public Contacts**

Town	Date	Property Owner Name & Address	Type of Contact	Description of Contact	Resolution	Written Documentation
Bloomfield	7/1/08	Carl Forster 44 Tarriffville Rd (as requested by David Lamenzo)	E. Granby Open House Comment Sheet	Mr. Lamenzo requested info for 85 yr old neighbor, Forster. Had several questions and comments: concerns over cows' drinking water and possible contamination of stream on property.	Project provided a map and cross-section from the MCF and an info packet.	Yes
Bloomfield	7/15/09	Mayor Sydney Schulman Town of Bloomfield	Letter	Forwarded Mayor copy of comment received from a Bloomfield resident who attended an Open House in East Granby	None	Yes
Bloomfield	8/18/08	Leonard Schlude 16 Hoskins Rd	Inland-Wetland Commission Meeting	Requested EMF reading. Bothered by auto-transformer at substation; wants sound barrier to mitigate noise from auto transformer; wants to minimize impacts to stream and trees on property.	Project reps spoke with property owner; installed green privacy slats.	No
Bloomfield	8/22/08	Joe Merritt 31 Woods Rd	Hotline	Called to notify CL&P and Project that a group is proposing a bike marathon path along the ROW between Bloomfield to Simsbury over next five years	None, FYI only.	No
Bloomfield	8/27/08	Carl Forster 44 Tarriffville Rd (as requested by David Lamenzo)	Hotline	Speaking on behalf of neighbor, wants to know if proposed structures can be moved entirely on NU's adjacent property, instead of Forster's property. Also concerned about testing conducted near stream where his cows drink.	Project manager spoke with resident that we will look into the requested structure move. Also stated that a number of agencies oversee wetlands testing and in case the stream is affected in any way, the project would compensate.	No
Bloomfield	9/2/08	Thomas Hooper Bloomfield Planning & Zoning Commission	Letter to Project	Letter of support stating that the expansion of Bloomfield substation is necessary and doesn't feel, after 50 years, that it would be a detriment for surrounding residents. Commended Project's communication with concerned residents.	None.	Yes
Bloomfield	9/19/08	Godfrey Pearlson 217 Duncaster Rd	Hotline	Called requesting map of proposed Project route be emailed to him.	Project emailed maps from MCF.	Yes
