Dear Attorney McGrath:

At a public meeting of the Connecticut Siting Council held on March 16, 2010, the Connecticut Siting Council denied Citizens Against Overhead Power Line Construction's request for additional days to review and comment on the draft Opinion, dated March 12, 2010. There is no statutory or regulatory requirement for the Council to serve the preliminary decision documents on the service list. The documents were made available to parties and intervenors, as well as the public, during regular Council meetings held on February 25, 2010 and March 9, 2010.

Thank you for your attention to these matters. Please do not hesitate to contact our office if you should have any questions.

Very truly yours,

Daniel F. Caruso
Chairman
