Re: **Docket No. 372 – Application Of Celco Partnership d/b/a Verizon  
Wireless For A Certificate Of Environmental Compatibility And Public  
Need For The Construction, Maintenance And Operation Of A Wireless  
Telecommunications Facility At 631 Orange Avenue, Milford,  
Connecticut**

Dear Mr. Phelps:

Throughout the Siting Council hearing on Docket No. 372, the Council and the applicant engaged in discussions regarding potential alternative locations on the YMCA property for the proposed tower site. I write today to inform you that Celco Partnership has had additional discussions with representatives of the YMCA regarding alternative site locations at the property at 631 Orange Avenue in Milford. We are currently evaluating a number of different alternatives and expect to be in a position to present those alternative locations to the Council shortly. If an alternative location is to be considered by the Council, however, we would expect that we would need to request that the Council reopen the public hearing to take in additional evidence regarding these alternative sites.

To that end, I am writing to request that the Council suspend its schedule for Docket No. 372, thereby postponing the previously established April 6, 2009 date for the close of record and filing of post-hearing briefs and draft findings of fact. I hope to be in a position to contact you shortly to discuss alternative site locations and the potential reopening of the Docket No. 372 hearing.
