RE: **DOCKET NO. 372** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public need for the construction, maintenance and operation of a telecommunications facility located 631 Orange Avenue, Milford, Connecticut.

Dear Attorney Baldwin:

At a public meeting held on April 7, 2009, the Connecticut Siting Council (Council) temporarily granted your request to suspend the schedule on this docket, dated March 17, 2009. Please update the Council of your progress regarding potential alternative locations by May 1, 2009. The Council will then take this item up at the public meeting scheduled for May 7, 2009 to determine if additional time is warranted or if the Council should proceed with the original schedule deadlines.

If you should have any questions, please do not hesitate to contact me.

Very truly yours,

Daniel F. Caruso
Chairman
