### LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50j(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about December 9, 2008, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the Town of Milford, Connecticut. The installation would consist of a 100' x 100' leased area in the northeast portion of an approximately 14.23-acre parcel at 631 Orange Avenue owned by Central Connecticut Coast YMCA, Inc. At this site, Cellco proposes to construct a 110-foot monopole tower. Access to the site will extend from Orange Avenue to the cell site. Cellco will also install a new 12' x 30' shelter located near the base of the tower to house its radio equipment and an emergency back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day selected for the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower described above, generally between the hours of 8:00 a.m. and 5:00 p.m., or as otherwise directed by the Council. Interested parties and residents of the Town of Milford are invited to review the Application during normal business hours at any of the following offices:
