Re: Docket 373A – Continued Hearing Date & Settlement Discussion  
New Cingular Wireless PCS, LLC (“AT&T”)  
224 Lovely Street, Avon, Connecticut

Dear Chairman Caruso and Members of the Council:

As a party to Docket 373-A, we are writing to request that no “settlement” meeting take place with AT&T, Mr. Kushner, and other parties and intervenors until the hearing has been continued, and we are allowed to present our case to the Council. We do not choose to waive our right to be heard or to appeal.

We request that the continuance of the open public hearing be scheduled at the earliest possible date. Thank you for your consideration of our request.

Very truly yours,
