In RE: Docket 374-Application of Cellco Partnership D/B/A Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance, And Operation of a Wireless Telecommunication Facility at 199 Town Farm Rd. Farmington, CT

Dear Mr. Phelps,

With regard to the May 14th Hearing, representatives from Cellco d/b/a Verizon Wireless under sworn testimony and upon cross examination by Party Susan Edelson's representative elicited the "lost call and or dropped call rate percentages" for the Route 10 or Waterville Road location and or the general area of the alleged coverage gap.

I respectfully ask for the Council to accept my request for document(s) to be provided by and from Cellco d/b/a Verizon Wireless pertaining to those rates as mentioned above that are relevant and recent be entered into the record by Cellco as an Exhibit for this Docket No. 374 at some point during the thirty (30) Post-Hearing period.

Sincerely,

David R. Edelson, D.M.D.
Representative for Susan Edelson
