### HEARING NOTICE

Pursuant to provisions of General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Tuesday, May 12, 2009, beginning at 3:00 p.m., and continued at 7:00 p.m., at the Nonnewaug High School Auditorium, 5 Minortown Road, Woodbury, Connecticut and thereafter as necessary. The hearing will be on an application from New Cingular Wireless PCS, LLC (AT&T) for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 85 Paper Mill Road, Woodbury, Connecticut.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, or maintenance of a tower, ground equipment, and access road. The 3:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to cross-examine positions. The applicant will be allowed a final rebuttal. Briefs will be entertained after the close of the last hearing session. The 7:00 p.m. hearing session will be reserved for the public to make brief statements into the record. Cross-examination of parties and intervenors will resume, if necessary, after all statements have been heard.

The Council will conduct a public field review of the proposed site on Tuesday, May 12, 2009, beginning at 2:00 p.m. The applicant will fly a balloon during the field review to simulate the height of the proposed facility.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1 through 16-50v-1a of the Regulations of Connecticut State Agencies.

The Council will hold a pre-hearing conference on procedural matters on Wednesday, April 22, 2009, beginning at 10:30 a.m. at the Council's office, 10 Franklin Square, New Britain, Connecticut.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by May 5, 2009. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

CONNECTICUT SITING COUNCIL

Individuals are encouraged to participate through their elected officials, and other party/intervenor groupings.

Any person seeking to be named or admitted as a party or intervenor to the proceeding may file a written request to be so designated at the office of the Connecticut Siting Council, 10 Franklin Square, New Britain, Connecticut 06051, on or before May 5, 2009.

Parties and intervenors will be allowed to submit briefs and proposed findings of fact within 30 days after the close of the hearing.

Any person who is not a party or intervenor to this proceeding may file a written statement with the Council at the hearing or any time up to 30 days thereafter. Such statements will become part of the record. No written statement or any other material, evidence, or other information will be accepted from any person not a party or intervenor to the proceeding after 30 days following the close of the hearing, except as otherwise prescribed by law or the Council.

A verbatim transcript of the hearing session(s) will be made and deposited with the Woodbury Town Clerk's Office for the convenience of the public.

The Honorable Paul D. Hinckley  
First Selectman  
Town of Woodbury  
P.O. Box 369  
Woodbury, CT 06798-0369

RE: Hearing Date – May 12, 2009 in connection with **DOCKET NO. 375** – New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 85 Paper Mill Road, Woodbury, Connecticut.

Dear Chairman Hinckley:

The Connecticut Siting Council (Council) has scheduled a public hearing in your town in connection with the above-referenced proceeding. I am writing to invite you to participate in this hearing.

The Council fully understands that municipal input and guidance is absolutely necessary to achieve a thoughtful and balanced decision in matters such as this. Accordingly, I am extending to you my personal invitation to participate in the hearing that is scheduled on May 12, 2009.

Please be advised that the Council's processes enable the affected municipal governments to engage in meaningful discourse and, if they choose, to even assert a legal role in the proceedings of applications that come before the Council. Municipalities are afforded a right of pre-filed technical information and consultation with applicants 60 days before an application is filed with the Council. During this period the municipality may conduct public hearings and meetings, as it deems necessary. Both the municipal and applicant filings become part of the Council's record.

Once an application is filed with the Council at least one public hearing is held in the affected community as well as a public inspection of the proposed site. Your participation at such hearing may take many forms; municipal officials may make opening statements to the Council, present written documents, or may seek Party or Intervenor Status and put on a case with witnesses.

Our staff is available to assist you in understanding our process and your options. If you have questions, please contact Executive Director S. Derek Phelps (860 827-2935). In the event you have legal questions, please contact our Staff Attorney Melanie Bachman (860 827-2951) or our Assistant Attorney General Robert Marconi (860 827-2682).

The Council weighs many issues before rendering its decisions. It is important that we know the Town's views as part of that decision making process. We hope you will take part in our hearing process.

Sincerely,

  
Daniel F. Caruso
