RE: **DOCKET NO. 375** – New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 85 Paper Mill Road, Woodbury, Connecticut.

Dear Attorney Fisher:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than April 20, 2009. To help expedite the Council's review, please file individual responses as soon as they are available.

Please forward an original and 15 copies to this office. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Yours very truly,

S. Derek Phelps
Executive Director

c: Council Members
Parties and Intervenors
Michele Briggs, AT&T

**Docket 375: New Cingular Wireless PCS LLC
Woodbury, Connecticut
Pre-Hearing Interrogatories, Set One**

1. Did AT&T receive return receipts for all adjacent landowners listed in Application Attachment 9? If not, list the landowners who have not received notice and describe any additional effort to serve notice. Why were additional landowners included in the mailing that are not shown as abutters?
2. Who was contacted in regards to potential use of the Green, Siemon, Graham, and Good properties?
3. Is the site parcel 34 or 35 acres in size?
4. What is the distance and direction from the tower site to the nearest residential dwelling not owned by the lessor? Identify the property owner.
5. Application Exhibit 3 states 15 residences are within 1,000 feet of the site. Does this include the residence on the site parcel?
6. Application Exhibit 4, p. 1, states " a private trail is located on Flanders Road". Please elaborate.
7. Please provide an 11"x17" copy of the Visual Impact Assessment map.
8. Please resubmit a legible copy of Application Exhibit 5, Attachment 5 - Public Involvement.
9. Please confirm if the closest tower within the Hotchkissville Historic District is 0.5 miles away from the tower, as stated in Application Exhibit 5. It appears several residences within the district are within 0.2 miles of the tower
10. The July 22, 2008 US Department of Interior letter contained within Application Exhibit 5 has an expiration date of January 1, 2009. Please submit an updated letter.
11. Was any correspondence submitted to the SHPO prior to July 14, 2008? If so, please provide. Was any response received from SHPO?
12. Would blasting be required to develop the site?
13. Resubmit the coverage models provided in Application Exhibit 1, at a scale of 1:40,000. Depict and label major roads on the model. What is the transmit frequency of the coverage plots? What percent capacity is assumed in producing the coverage models?
14. Provide a multi-signal level propagation models, at a scale of 1:40,000, depicting coverage from existing sites and the proposed site at tower heights of 140 feet and 130 feet. Depict and label major roads on the models.
15. Provide the affidavit of publication for Notice pursuant to CGS Section 16-50(b).
