Scheduling Request: Docket 378

Dear Council:

The undersigned is presently scheduled to make the lead oral argument in a constitutional case before the New York State Court of Appeals on Tuesday, June 2, 2009 at 2:00 p.m.

I have invested many hours preparing for cross examination of the applicant's consultants, primarily on technical issues, on behalf of our client Concerned Residents of Warren and Washington [CROWW]. Because the proceedings on May 21, 2009 did not reach CROWW's opportunity to conduct cross examination, I respectfully request that CROWW's cross-examination be postponed until the first scheduled Council meeting following June 2, to permit me to fulfill my professional obligations.

This request is simply to adjust the program slightly to accommodate the best interests of our client. It will not cause any prejudice to the applicant, who is obligated to be present throughout the course of the hearing.

Thank you for your consideration.

Respectfully,

Whitney North Seymour, Jr.
