Re: Docket 378 – Warren, CT

Dear Mr. Phelps:

I write on behalf of applicant SBA Towers II, LLC (“SBA”) in this docket. As discussed in correspondence dated May 26, 2009, SBA is working closely with Cellco Partnership d/b/a Verizon Wireless in reviewing a site that Verizon indicated it had leased in the vicinity of the two sites proposed in this application. Since that correspondence, SBA and Verizon have initiated the process of having the lease on this parcel assigned to SBA. SBA believes that this site may be a viable alternative to the two sites proposed in this application. SBA requires additional time, however, to perform its due diligence on this site and proceed to a municipal consultation regarding this site. As such, SBA hereby withdraws this application, docket 378, from consideration by the Council. Please let me know if you have any questions.

Respectfully Submitted,

Carrie L. Larson
