Dear Mr. Phelps:

Please find enclosed SBA Towers II, LLC ("SBA") comments regarding the draft findings of fact dated September 17, 2009.

37. Description of Cold Spring Flood Water Retention – should read “This is an approximately 170 acre parcel to the north of the proposed site. It is owned by the State of Connecticut. This site was rejected as the parcel is utilized for Flood Water Retention and contains extensive wetlands.”
43. The correct coordinates are 41° 49’ 4.29” north latitude and 72 ° 45’ 52.24” west longitude. The correct ground elevation is 358 feet AMSL. The reference for this information should be made to SBA 1 at Exhibit P.
54. Reference should be to SBA 1 (not Applicants).

Please let me know if you have any questions.

Respectfully submitted,

Carrie L. Larson
