**LEGAL NOTICE**

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about July 15, 2009, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the City of Shelton, Connecticut. The installation would consist of a 100' x 100' leased area and a 40' x 66' fenced compound on an approximately 99 acre parcel owned by The Brownson Country Club. At this site, Cellco proposes to construct a 120-foot monopole tower disguised as a pine tree. Access to the site will extend from Lane Street to the cell site. Cellco will also install a new 12' x 30' shelter located near the base of the tower to house its radio equipment and a back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day selected for the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower. Interested parties and residents of the City of Shelton are invited to review the Application during normal business hours at any of the following offices:
