RE: 50 Devine Street, North Haven, CT,
Proposed Telecommunication Facility

Dear Mr. Phelps,

On 3 August 2009 the Planning and Zoning Commission of the Town of North Haven heard a presentation from Phoenix Partnership regarding the above referenced proposal. The Commission unanimously determined that the proposed site was appropriate for a cell tower.

Additionally, the Commission chose to comment that the outdoor storage containers depicted/noted on the drawings, which have no approval from the Commission, must be eliminated or an application must be submitted by the current owner of the property to request approval for this use.

If you have any questions regarding this matter, please contact me directly at your earliest convenience.

Sincerely,

Alan A. Fredricksen
Land Use Administrator
