RE: **DOCKET NO. 385** - T-Mobile Northeast, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance and management of a telecommunications facility located at 23 Stonybrook Road, Stratford, Connecticut.

Dear Attorney Kohler:

At a public meeting of the Connecticut Siting Council (Council) held on January 6, 2011, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from T-Mobile Northeast, LLC to Florida Tower Partners, LLC. This approval of transfer is consistent with State law, conditioned on the consent of Florida Tower Partners, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on September 28, 2005 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statute § 16-50v(b)(2).

Thank you for your attention and cooperation. Please call me directly if you have any questions regarding the Council's approval of this proposed transfer of Certificate.

Very truly yours,

Daniel F. Caruso
Chairman
