RE: **DOCKET NO. 385** - T-Mobile Northeast, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance and management of a telecommunications facility located at 23 Stonybrook Road, Stratford, Connecticut.

Dear Attorney Kohler:

Please be advised that the Connecticut Siting Council's correspondence of January 13, 2011 regarding the Transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from T-Mobile Northeast, LLC to Florida Tower Partners, LLC contained an erroneous Certificate date. The correct date of said Certificate is February 25, 2010.

This approval of transfer, effective January 6, 2011, is consistent with State law, conditioned on the consent of Florida Tower Partners, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on February 25, 2010 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statute § 16-50v(b)(2).

Thank you for your attention and cooperation. Please call me directly if you have any questions regarding this matter.

Very truly yours,

Daniel F. Caruso *DFC*  
Chairman
