**WOODBIDGE CONSERVATION COMMISSION'S CORRECTION TO REPLY TO
OBJECTION TO INTERVENTION**

The undersigned counsel to the Woodbridge Conservation Commission respectfully makes the following correction to its reply memorandum to AT&T's Objection to the Intervention in this matter. In the Commission's reply it stated:

"The Conservation Commission was authorized to take action to file the intervention before the Siting Council and expend town funds in doing so by the Board of Selectmen last evening. AT&T represented falsely that selectmen had failed to act on the request. "

This statement is hereby withdrawn and is replaced by the following:

" The Board of Selectmen did not take action on the resolution to fund the Conservation but instead declared that the Conservation had its own professional services line item from which it could draw for the funding of this intervention."

The undersigned counsel was misinformed and has discovered the true state of the facts.

Counsel believes the remainder of the representations made in the filings before the Council in this docket are true. However, the undersigned is withdrawing from representation of the Woodbridge Conservation Commission in this matter.

The contact information for the Woodbridge Conservation Commission is contained in the certification below.

Respectfully Submitted,
