Re: DOCKET 389 – Application of Cellco Partnership, Dayton Road, Glastonbury

Dear Mr. Phelps:

Youghioghny Communications Northeast LLC (“Pocket Wireless”) hereby submits this letter of support in the above-captioned docket. Pocket Wireless currently experiences a coverage gap in this area of Glastonbury and would seek to install antennas on the proposed facility, if approved. Pocket Wireless expects to have funding available to pursue such installation in 2010 and would seek to install at the highest antenna centerline available at that time. Therefore, Pocket Wireless urges the Siting Council to approve this proposed facility (at either site) on Dayton Road in Glastonbury.

Respectfully submitted,

Carrie L. Larson
