1. Manner in which petitioner claims to be substantially and specifically affected:

The Town of Madison is the municipality where the facility is proposed.

2. Contention of the petitioner:

The applicant has not provided sufficient information to support its claim that all current carriers will be able to collocate on a single tower in this location; and has not provided sufficient visual analysis to determine the impact of a tower that will accommodate all current carriers.

3. Relief sought by the petitioner:

The Town of Madison requests that:

- the applicant provide sufficient information to verify the maximum tower height required to accommodate all current carriers; at a minimum this should include copies of all inquiries to (correspondence, emails, etc.) and responses from other carriers relative to the tower height that they would require at this location;
- the applicant provide copies of the geotechnical data that confirms that a tower of the proposed height or an expanded height can be supported at this location;
- the applicant provide a leaf off analysis of the visual impact of a tower at the height which will provide adequate coverage for all current carriers.

4. Statutory or other authority therefore; and

CGS Sections 16-50n and 4-177a

Section 16-50j-14 of the Regulations of Connecticut State Agencies

5. Nature of evidence that the petitioner intends to present:

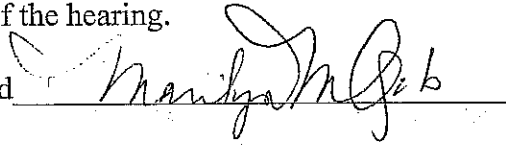

The Town of Madison does not currently plan to present witnesses or evidence, but respectfully reserves the right to do so if necessary as the matter proceeds.

6. Other comments for the Siting Council's consideration:

Please see letter dated 11/19/09 from the Town of Madison already on file.

Copies of this request shall be mailed to all participants at least five (5) business days before the date of the hearing.

Signed
