**Re: Docket No. 393 – Application of T-Mobile Northeast LLC,
For a Certificate of Environmental Compatibility and Public
Need for the Construction, Maintenance and Operation of a
Telecommunications Facility at 61-1 Buttonball Road in
the Town of Old Lyme, Connecticut**

Dear Ms. Roberts:

On January 19, 2012 the Connecticut Siting Council ("Council") granted an extension of construction time to October 22, 2012 regarding the telecommunications facility ("Facility") approved in the above-captioned docket. According to the Decision and Order ("D&O") and the grant of extension, T-Mobile Northeast LLC ("T-Mobile"), must complete construction and bring the Facility on-air by October 22, 2012. The facility is not yet operational so T-Mobile therefore respectfully requests a one year extension of time until October 22, 2013, in which to comply with the Council's D&O, specifically Orders 7 and 8.

Very truly yours,

Julie D. Kohler
