**Re: DOCKET 394 – Application of New Cingular Wireless PCS, LLC (AT&T),  
Torrington, CT**

Dear Mr. Phelps:

Youghiogheny Communications Northeast LLC (“Pocket Wireless”) hereby submits this letter of support in the above-captioned docket. Pocket Wireless currently experiences a coverage gap in this area of Torrington and would seek to install antennas on the proposed facility, if approved. Pocket Wireless expects to have funding available to pursue such installation later in 2010 or 2011 and would seek to install at the 170 foot antenna centerline, if available at that time. Therefore, Pocket Wireless urges the Siting Council to approve this proposed facility on Stillwater Pond Road in Torrington. Please let me know if you have any questions.

Respectfully submitted,

Carrie L. Larson
