**Re: Docket 396, Certificate Application for Proposed Telecommunications Facility at 49 Brainerd Road, East Lyme, Connecticut**

Dear Mr. Phelps:

On behalf of the applicant, SBA Towers II LLC ("SBA"), please find enclosed the following late-file exhibits, filed at the request of the Siting Council at the April 22, 2010 hearing and in the Siting Council's late file memorandum dated April 23, 2010:

- 1) Migratory Bird Impact Evaluation dated May 5, 2010
- 2) A macro-aerial photograph including all "alternative" sites discussed in this proceeding; and
- 3) A micro-aerial photograph identifying all alternative locations on the subject property at 49 Brainerd Road.

Since these materials merely summarize materials already including in either documents in the record or hearing testimony, SBA does not believe that any additional hearing time or testimony is required concerning these requested exhibits. Therefore, SBA respectfully requests that the hearing be closed and a briefing schedule be issued in this docket. Please let me know if you have any questions.

Respectfully submitted,

Carrie L. Larson
