RE: **DOCKET NO. 399** – T-Mobile Northeast LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility at 166 Pawcatuck Avenue, Stonington, Connecticut.

Dear Attorneys Kohler and Langer:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than May 6, 2010. To help expedite the Council's review, please file individual responses as soon as they are available.

Please forward an original and 20 copies to this office. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Yours very truly,

S. Derek Phelps

**Docket 399: T-Mobile
Stonington, Connecticut
Post-Hearing Interrogatories**

1. Is it possible to utilize DAS technology in the area to be served by the proposed facility, particularly along Amtrak rail line?
2. How many DAS locations would be needed to provide coverage to the area that would be covered by the proposed facility?
3. What would be the estimated cost of such a DAS system?
4. What would be the process for obtaining the necessary easements for installing a DAS system in this area? From whom would such easements be necessary?
