**Re: Docket No. 399,
Application by T-Mobile Northeast, LLC for a Certificate
of Environmental Compatibility and Public Need for a
Telecommunications Facility at 166 Pawcatuck Avenue
in the Town of Stonington, Connecticut**

Dear Ms. Roberts:

On September 1, 2010, the Connecticut Siting Council ("Council") mailed its approval of a Certificate of Environmental Compatibility and Public Need to the Applicant, T-Mobile Northeast LLC ("T-Mobile"), regarding the telecommunications facility ("Facility") proposed in the above-captioned docket. According to the Decision and Order ("D&O"), T-Mobile must complete construction and bring the Facility on-air by March 1, 2012. T-Mobile has not completed construction of the Facility and, therefore, respectfully requests a 6 month extension of time until September 1, 2012, in which to comply with the Council's D&O, specifically Orders 8 and 9.

Very truly yours,

Jesse A. Langer
