Re: **Docket No. 400- Cellco Partnership d/b/a Verizon Wireless Application For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility, 343 Daleville Road, Willington, Connecticut**

Dear Ms. Roberts:

On July 29, 2010, The Connecticut Siting Council ("Council") approved an application by Cellco Partnership d/b/a Verizon Wireless ("Cellco") to construct a wireless telecommunications facility at 343 Daleville Road in Willington, Connecticut. The approval stipulated that the facility must be constructed and providing wireless service by February 2, 2013.

While Cellco intends to move forward with the construction of this cell site, it will not do so prior to the February 2, 2013 deadline. Cellco, therefore, requests the Council grant a twelve (12) month extension to the Docket No. 400 approval until February 2, 2014.

Thank you in advance for your cooperation.

Sincerely,

Kenneth C. Baldwin
