Re: *Docket No. 400- Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public need for the construction, maintenance and operation of a telecommunications facility located at 343 Daleville Road, Willington, Connecticut. Transfer of Certificate*

Dear Attorney Bachman:

Construction Services Towers, LLC ("CST") has recently acquired the wireless telecommunications facility that the Council approved in the above referenced docket.

CST requests that the Certificate granted by Decision and Order on July 29, 2010 in this Docket be transferred to CST. Pursuant to the requirements of Connecticut General Statutes Section 16-50k(b), CST agrees to comply with the terms and conditions contained in that Decision and Order. The transfer of this Certificate was not contemplated at any point during or prior to the Council's approval of the Docket No. 400 Certificate.

We would appreciate it if the Council would consider this matter at its next meeting.

Very truly yours,

Julie D. Kohler
