RE: **DOCKET NO. 400** – Construction Services Towers Certificate of Environmental Compatibility and Public need for the construction, maintenance and operation of a telecommunications facility located at 343 Daleville Road, Willington, Connecticut. Request for Extension.

Dear Attorney Kohler:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time in this docket dated April 11, 2014. Pursuant to Condition No. 9 of the Certificate dated July 29, 2010, I have considered your request for an extension of construction time in this docket and grant a six-month extension of time until April 2, 2015 to complete the construction of this project.

Pursuant to Condition Nos. 9 and 10 of the Certificate, any request for extension to fully construct this telecommunications facility with at least one fully operational wireless telecommunications carrier shall be filed with the Council not later than 60 days prior to the expiration of this Certificate and shall be served on all parties and intervenors, as listed on the current service list and the Town.

This extension is granted with the understanding that the Council will be notified should the applicant decide not to proceed with construction.

Sincerely,

Melanie A. Bachman
Acting Executive Director

MAB/RDM/laf
