

**Sites Investigated in the Willington Area**

1	343 Daleville Road, Willington - Cellico investigated and ultimately signed a lease for the use of a portion of this 22-acre parcel. The proposed site would maintain a ground elevation of approximately 496 feet AMSL. Cellico can satisfy its coverage objectives from this location with antennas located 97 feet above ground level.
2	Boston Turnpike, Willington - Vacant Land. Cellico investigated five parcels owned by John and Louise Cawley along Route 44. The property owners have plans to develop these parcels and were not interested in leasing space to Cellico for a tower.
3	2114 Boston Turnpike, Willington - Vacant Land (Map 2, Lot 14A). The landowner did not return telephone calls or respond to correspondence sent by Cellico's real estate consultant.
4	65-87 Old Turnpike, Mansfield - Vacant Land. The landowner did not return telephone calls or respond to correspondence sent by Cellico's real estate consultant.
5	53 Old Turnpike Road, Mansfield - Vacant Land. The landowner did not return telephone calls or respond to correspondence sent by Cellico's real estate consultant.
