**Re: Docket No. 401,  
Application by T-Mobile Northeast LLC for a Certificate  
of Environmental Compatibility and Public Need for a  
Telecommunications Facility at 208 Valley Road in the  
Town of New Canaan, Connecticut**

Dear Ms. Roberts:

On February 3, 2012, the Connecticut Siting Council ("Council") mailed its approval of a Certificate of Environmental Compatibility and Public Need to the Applicant, T-Mobile Northeast LLC ("T-Mobile"), regarding the telecommunications facility ("Facility") proposed in the above-captioned docket. According to the Decision and Order ("D&O"), T-Mobile must complete construction and bring the Facility on-air by August 3, 2103. T-Mobile has not completed construction of the Facility and, therefore, respectfully requests a one year extension of time until August 3, 2014, in which to comply with the Council's D&O.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

  
Julie D. Kohler
