RE: **DOCKET NO. 402** - Construction Services of Branford, LLC Certificate of Environmental Compatibility and Public need for the construction, maintenance and operation of a telecommunications facility located at 16 Bell Road Extension, Cornwall, Connecticut.

Dear Mr. Rech:

At a public meeting of the Connecticut Siting Council (Council) held on January 22, 2015, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from Construction Services of Branford, LLC to Blue Sky Tower Partners, LLC. This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of Blue Sky Tower Partners, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on October 21, 2010, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2). Furthermore, this approval is conditioned on Blue Sky Tower Partners, LLC providing the Council with the contact information for the construction site supervisor.

Thank you for your attention and cooperation.

Very truly yours,
