Re: **Docket No. 405 – Cellco Partnership d/b/a Verizon Wireless Application For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility at 422 Rockville Road, Voluntown, Connecticut**

Dear Chairman Stein and Members of the Council:

On January 21, 2010, the Connecticut Siting Council (“Council”) approved an application by Cellco Partnership d/b/a Verizon Wireless (“Cellco”) to construct a wireless telecommunications facility on property owned by Cheryl A. Marcinko at 422 Rockville Road in Voluntown, Connecticut. The existing approval is due to expire on or about July 25, 2012.

Cellco’s development of this site has been delayed due to changes in its 2012 tower construction program and budget. Cellco, therefore, respectfully requests that the Council grant an eighteen (18) month extension to the Docket No. 405 approval giving Cellco until January 25, 2014, to complete construction of this facility.

We respectfully request that this matter be placed on the next available Council meeting agenda for consideration. If you have any questions regarding this request please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
