***Re: Docket No. 407 – Application by T-Mobile Northeast LLC
for a Certificate of Environmental Compatibility and Public
Need for a Telecommunications Facility at 77-145 Pleasant
Point Road in the Town of Branford, Connecticut***

Ms. Roberts:

The hearing in the above referenced docket is presently scheduled for January 25, 2011. It is necessary for T-Mobile to respectfully request that this hearing be rescheduled to a future date.

The Applicant makes this request as its RF expert is unavailable on January 25, 2011, is unable to prefile testimony by January 18, 2011, and is unavailable to assist counsel in hearing preparation. T-Mobile is therefore unable to present its direct case or adequately cross examine other participants on January 25th.

Further, T-Mobile is not able to respond to most of the interrogatories propounded by the Town before the due date of January 18th (or the hearing date of January 25th), and needs additional time in which to obtain the relevant information requested. Reciprocally, T-Mobile will not expect to receive the Town's responses to the T-Mobile interrogatories by the January 18th due date.

T-Mobile will, of course, be responsible for the costs of new published hearing notice. Don't hesitate to contact me with any questions or concerns.

Very truly yours,
