**Re: Docket No. 407 – Application by T-Mobile Northeast LLC for a Certificate of Environmental Compatibility and Public Need for a Telecommunications Facility at Pleasant Point Road in the Town of Branford, Connecticut**

Dear Ms. Roberts:

We received your correspondence dated May 7, 2012 requesting that T-Mobile provide a status update regarding the above referenced docket.

It remains our intention to pursue the location of a facility in this geographical area. T-Mobile is still in the process of considering and performing due diligence on the alternative proposed by the Town of Branford. Rather than leave this matter pending for an indeterminate period of time however, T-Mobile respectfully withdraws this docket without prejudice to re-file at some point in the future.

Please contact me if you have any questions.

Very truly yours,

  
Julie D. Kohler
