SITING COUNCIL

December 6, 2010

Dear Mr. Caruso,

My office was recently contacted by Thomas Sirman regarding AT&T's proposal to the Connecticut Siting Council to construct a cellular tower at 95 Balance Road, East Hartland.

I believe the proposed location is poorly sited due to its close proximity to a residential neighborhood and would disturb the rural environment of said neighborhood. It is my belief that there are several options for siting and would encourage AT&T to consider an alternative site.

I ask the Council to consider this issue and to consider alternative sites that would not have a direct impact on the residents of East Hartland.

Very truly yours,

State Senator Kevin Witkos
8th District
