White Plains, NY 10601

RE: **DOCKET NO. 408** - New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 95 Balance Rock Road, Hartland, Connecticut.

Dear Attorney Chiocchio:

The current deadline for the above mentioned docket is April 04, 2011. Due to the fact that the continued hearing in this matter will be held on May 16 2011, the Connecticut Siting Council (Council) will need additional time to render a decision. Connecticut General Statute § 16-50p(a) provides, in part, that the Council's decision shall be rendered, "Not later than one hundred eighty days after the filing of an application for" a telecommunications tower "provided such time period may be extended by the Council by not more than one hundred eighty days with the consent of the applicant." The Council hereby requests such consent for an extension of the decision deadline in Docket 408 until July 29, 2011.

The applicant's consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Linda Roberts  
Executive Director
