UPDATE TO AT&T'S HEARING INFORMATION

New Cingular Wireless PCS, LLC ("AT&T") respectfully requests the Siting Council to take administrative notice of the "Connecticut Department of Emergency Services & Public Protection, Annual Report to the General Assembly, 2012" (the "Report")¹. This Report details the status of various state government initiatives and includes data on 911 call statistics. The Report specifically states that "over 75% of all 9-1-1 calls received at Connecticut PSAPs were from wireless telephones" and the Report includes data for areas served by the State Police (including Falls Village) where that percentage can be higher.
