RE: DOCKET NO. 411 New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 1363 Boston Post Road, Old Saybrook, Connecticut 06475  
Transfer of Certificate

Dear Attorney Bachman:

The Connecticut Siting Council ("Council") granted a Certificate for the above referenced docket to New Cingular Wireless PCS, LLC ("AT&T") on April 28, 2011.

AT&T subsequently transferred all of its rights, title and interest in and to the above-referenced telecommunications facility to SRR Towers, LLC, a Delaware limited liability company ("SRR Towers").

SRR Towers requests that the Certificate granted by the Decision and Order on April 28, 2011 in this Docket be transferred to SRR Towers. Pursuant to the requirements of Connecticut General statutes Section 16-50k(b), SRR Towers agrees to comply with the terms and conditions contained in that Decision and Order. The transfer of this Certificate was not contemplated at any point during or prior to Council's approval of the Docket No. 411 Certificate.

We would appreciate it if the Council would consider these matters at its next meeting.

Very truly yours,

SRR Towers, LLC, a Delaware limited liability company
