RE: **DOCKET NO. 411** - New Cingular Wireless PCS, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance and management of a telecommunications facility located at 1363 Boston Post Road, Old Saybrook, Connecticut.

Dear Attorney Davis:

At a public meeting of the Connecticut Siting Council (Council) held on May 20, 2021, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from New Cingular Wireless PCS, LLC to SSR Towers, LLC. This approval of transfer is consistent with Connecticut General Statutes § 16-50k(b) and conditioned on the consent of SSR Towers, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on April 28, 2011, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.

Sincerely,

*s/Melanie A. Bachman*
