RE: **DOCKET NO. 412** – SBA Towers II and New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and management of a telecommunications facility located at Wewaka Brook Road, Bridgewater, Connecticut.

Dear Attorneys Fisher and Laub:

The current deadline for the above mentioned docket is May 15, 2011. Due to the upcoming Second Hill Road application for a nearby site, the Connecticut Siting Council (Council) will need additional time to render a decision in order to review both dockets in parallel. Connecticut General Statute § 16-50p(a) provides, in part, that the Council's decision shall be rendered, "Not later than one hundred eighty days after the filing of an application for" a telecommunications tower "provided such time period may be extended by the Council by not more than one hundred eighty days with the consent of the applicant." Given the length of time associated with a new docket, the Council hereby requests such consent for the 180-day extension of the decision deadline in Docket 412 until November 14, 2011.

The applicant's consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Linda Roberts".

Linda Roberts
Executive Director

LR/MP
