Re: **Docket No. 413- Cellco Partnership d/b/a Verizon Wireless Application For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility, 723 Leetes Island Road, Branford, Connecticut**

Dear Ms. Roberts:

On July 28, 2011, The Connecticut Siting Council ("Council") approved an application by Cellco Partnership d/b/a Verizon Wireless ("Cellco") to construct a wireless telecommunications facility at 723 Leetes Island Road in Branford, Connecticut. Condition No. 7 of the Council's Decision and Order requires the facility to be constructed and providing wireless service by January 29, 2013.

As the Council is aware, construction of the Leetes Island Road facility commenced on or about July 16, 2012. Construction will not be completed, however, until after the January 29, 2013 deadline. Cellco, therefore, requests the Council grant a twelve (12) month extension until January 29, 2014, to complete this work.
