Re: Existing Verizon Wireless Certificated Facilities Subject to a Maintenance Agreement with American Tower Corporation

Dear Attorney Bachman:

Pursuant to our recent telephone conversation, I thought it might be prudent for me to identify for you those existing tower sites that are currently subject to the “Project Sequoia Agreement” between Cellco Partnership d/b/a Verizon Wireless (“Cellco”) and American Tower Corporation (“ATC”). The sites subject to the Project Sequoia Agreement are listed on the attached spreadsheet.

Pursuant to the Project Sequoia Agreement, maintenance of the listed wireless facilities is the responsibility of ATC. If any of these facilities is deemed to be out of compliance with the Council's approval, the Council should contact Robert Karam, Supervising Attorney for ATC Sequoia, LLC. Robert.karam@americantower.com.

If you have any questions or need any additional information regarding these cell sites, please feel free to contact me.

Sincerely,

Kenneth C. Baldwin
