RE: **DOCKET NO. 416** - Cellco Partnership d/b/a Verizon Wireless Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located off of Day Hill Road, Bloomfield, Connecticut. Transfer of Certificate.

Dear Attorney Baldwin:

At a public meeting of the Connecticut Siting Council (Council) held on December 13, 2012, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from Cellco Partnership d/b/a Verizon Wireless to Construction Services Towers, LLC (CST). This approval of transfer is consistent with State law and conditioned on the consent of CST to comply with all the terms, limitations, and conditions contained in said Certificate issued on November 3, 2011, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statute § 16-50v(b)(2).

Thank you for your attention and cooperation. Please call me directly if you have any questions regarding the Council's approval of this proposed transfer of Certificate.

Very truly yours,

Robert Stein *UR*
Chairman
