Subject: RE: Bay Moose Hill Guilford Letter from Siting Council re_ extension request (12-2-15).PDF

Hi Tom. The site is 100% complete and energized as of 1/11/16. A Final Report re: environmental monitoring, as required by CSC in the D&M Plan approval, will be submitted to CSC shortly. Can you please communicate this to CSC as our extension was until 2/8/16?

Please let me know if you need anything else.

Thank you,
Mark
