Pursuant to Condition Nos. 7 and 8 of the Certificate, any request for extension to fully construct this telecommunications facility with at least one fully operational wireless telecommunications carrier shall be filed with the Council not later than 60 days prior to the expiration of this Certificate and shall be served on all parties and intervenors, as listed on the current service list and the Town.

This extension is granted with the understanding that the Council will be notified should the applicant decide not to proceed with construction.
