RE: **DOCKET NO. 421** – T-Mobile Northeast LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 158 Edison Road, Trumbull, Connecticut.

The Connecticut Siting Council (Council) shall continue the evidentiary hearing for this proceeding on Tuesday, December 20, 2011, in Hearing Room One, Ten Franklin Square, New Britain, Connecticut, beginning at 1:00 p.m.

To save the time and expense of parties, intervenors and the public, the Council requests that all parties and intervenors submit any additional filings on or before December 14, 2011.

The current deadline for the above mentioned docket is January 30, 2012. In order to allow a 30 day comment period following the anticipated close of the hearing on December 20, 2011, the Council will need additional time to render a decision. Connecticut General Statute § 16-50p(a) provides, in part, that the Council's decision shall be rendered, "Not later than one hundred eighty days after the filing of an application for" a telecommunications tower "provided such time period may be extended by the Council by not more than one hundred eighty days with the consent of the applicant." The Council hereby requests such consent for a 45-day extension of the decision deadline to March 15, 2012.

The applicant's consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

If you have any questions about Council procedures, please do not hesitate to contact Melanie Bachman, Staff Attorney at the Council office at 860-827-2935. Thank you.
