RE: Docket 421, Trumbull, Edison Road
CATT Continuance Request

Ms. Roberts:

The Intervenor, CATT, hereby requests a continuance of the hearing on the above docket from February 7th to any day from February 8th to the 16th on the grounds that CATT's technical advisor who assists counsel, Kevin Plumb, has been called out of state on business for February 7th and will not be available.

The requested continuance is reasonably calculated to cure the problem and is as short as possible to lessen the possibility of interfering with the orderly progression of the matter. In order to assist with the decision on this request, Mr. Plumb is unavailable from February 17th to the end of February.

Very truly yours,

Keith R. Ainsworth
