RE: **DOCKET NO. 422** – North Atlantic Towers, LLC and New Cingular Wireless PCS, LLC
application for a Certificate of Environmental Compatibility and Public Need for the
construction, maintenance and operation of a telecommunications facility located at 655 Bassett
Road, Watertown, Connecticut.

Dear Attorneys Chiocchio and Fisher:

The applicants previously granted the Council an extension of the decision deadline in this Certificate proceeding to April 6, 2012. Due to the scheduling of the continuation of the hearing on this proceeding, however, the Council will not be able to render its decision by this deadline. The Council hereby requests an additional extension of the decision deadline to May 18, 2012 pursuant to Connecticut General Statute § 16-50p(a), which provides, in part, that the Council's decision shall be rendered, "Not later than one hundred eighty days after the filing of an application for" a telecommunications tower "provided such time period may be extended by the Council by not more than one hundred eighty days with the consent of the applicant."

The applicant's consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Linda Roberts
Executive Director
