NOTICE

Notice is hereby given, pursuant to Section 16-50l(b) of the Connecticut General Statutes and Section 16-50l-1(e) of the Regulations of Connecticut State Agencies of an Application to be filed with the Connecticut Siting Council ("Siting Council") on or after August 8, 2011 by North Atlantic Towers, LLC and AT&T for a certificate of environmental compatibility and public need for the construction, maintenance and operation of a wireless telecommunications facility in Watertown, Connecticut. The property being considered for the proposed wireless telecommunications facility ("Facility") is located at 655 Bassett Road, and identified as Map 15, Block 25, Lot 3. The proposed Facility will be located in the northern portion of the site and will consist of a 150-foot self-supporting monopole tower, antennas and a 75' x 75' fenced equipment compound designed to accommodate unmanned equipment in either single-story equipment buildings or on concrete pads. Vehicle access to the Facility will extend from Bassett Road along an existing unimproved road located on the eastern boundary of the property and then along a new gravel access road.

The location, height and other features of the proposed Facility are subject to review and potential change under provisions of the Connecticut General Statutes Sections 16-50g et. seq.

The Facility is being proposed to allow AT&T to provide service in this area of the Town. The Application explains the need, purpose and benefits of the Facility and also describes the environmental impacts of the proposed Facility.

A balloon, representative of the proposed height of the monopole, will be flown at the proposed site on the first day of the Siting Council public hearing on the Application, which will take place in the Town, or such other date specified by the Siting Council and a time to be determined by the Siting Council, but anticipated to be between the hours of 1pm and 5pm.

Interested parties and residents of the Town of Watertown, Connecticut are invited to review the Application during normal business hours after August 8, 2011, at any of the following offices:

Re: North Atlantic Towers, LLC and AT&T  
Proposed Wireless Telecommunications Facility  
655 Bassett Road, Watertown, Connecticut  
Application to the State of Connecticut Siting Council

Dear \_\_\_\_\_:

We are writing to you on behalf of our clients, North Atlantic Towers and AT&T, in order to inform you of our clients' intent to file an application with the State of Connecticut Siting Council for approval of a proposed wireless communications tower facility ("Facility") within the Town of Watertown.

The property being considered for the proposed Facility is the parcel located at 655 Bassett Road, near the intersection of Bassett Road and Linkfield Road and identified on the tax map as map 15, block 25, lot 3. The proposed Facility will be located in the northern portion of the property and will consist of a 150-foot self-supporting monopole tower, antennas, and a 75' x 75' fenced equipment compound designed to accommodate unmanned equipment in single-story equipment buildings or on concrete pads.

Vehicular access to the facility compound will extend from Bassett Road near Linkfield Road, along an existing unimproved road for a distance of approximately 1750 feet, and then for an additional 750 feet along a new gravel access drive. Utilities would extend from Bassett Road along the access drive to the proposed compound area.

The location, height and other features of the proposed Facility are subject to review and potential change by the Connecticut Siting Council under the provisions of Connecticut General Statutes §16-50g et seq.

If you have any questions concerning this application, please do not hesitate to contact the Connecticut Siting Council or the undersigned after August 8, 2011, the date which the application is expected to be on file.

Very Truly Yours,

Lucia Chiocchio
